The property of about 10 ha in one piece offers a beautiful mix:

Approximately 2.7 ha of vines with AOP Ventoux and IGP (caladoc) and an olive grove of about 2 ha.

Various fruit trees, bare land, and a wood composed of different species (Aleppo pines, oaks...).

In a very pleasant environment, this land offers an eco-system conducive to organic farming for the agricultural plots. The land is connected to a watering canal terminal.

Positioned high up and discreetly, this historic building offers 410 m² entirely renovated. It benefits from magnificent views over the surrounding countryside...
